APPENDIX TO MINISTRY OF COMMERCE PUBLIC NOTICE No. 59-ITC(PN/64, DATED  
14TH JULY 1964

*Terms and conditions governing the issue of import licences for Heavy Construction Equipment (import by medium sized Civil Works Contractors) financed under International Development Association Credit No. 52-IN.*

(i) The import must be made from any of the countries who are members of the World Bank including Switzerland (List in Annexure I) but excluding South Africa/South West Africa.

(ii) *Ordering.*—Firm orders must be placed on the suppliers within ninety days of receipt of the import licence and the goods shipped within the validity period. Copies of the orders placed should be forwarded simultaneously to the Ministry of Finance (Department of Economic Affairs), Economic Aid (Accounts) Branch, New Delhi. A statement of the orders in the form *vide* Annexure II should be sent on the first of each month to the Department of Economic Affairs. The first report should include particulars of all eligible licences and imports.

(iii) *Payments.*—The cost of goods acquired must be paid for in the respective currencies of the countries from which such goods are acquired. Expenditure incurred in Indian currency or for goods procured in (including services supplied from) India and also from countries who are not members of World Bank *vide* Annexure I is not reimbursable for the purpose of these orders.

(iv) Payments against the import licences may be made by the Importers through Authorised Dealers in foreign exchange in India in the normal manner. The importers shall indicate in their contracts with suppliers that certain documents required by the I.D.A. Washington have to be submitted by the supplier to the Importers. These documents are indicated in Annexure III. and should be sent along with a proforma as indicated in Annexure IV. Two sets of documents would be required—one for Payment purposes and the other for purposes of obtaining reimbursements from the I.D.A. The authorised dealers in foreign exchange while opening Letters of Credit against such import licences would also call for these documents. When bills drawn under the Letters of Credit are paid by the drawee and the amount remitted to the Principal suppliers abroad, these documents would be separated and pinned together and forwarded by the dealers in Foreign Exchange direct to the Ministry of Finance, Department of Economic Affairs, Economic Aid (Accounts) Branch, New Delhi (Attention Shri P. C. Jain Assistant Accounts Officer) with the particulars of the relative import licence duly noted on each of these documents. In the cases where bills are received by the Authorised Dealers in Foreign Exchange on collection basis to cover imports the proceeds of the bills would not be remitted unless the drawees (the importers) furnish to the authorised dealers in foreign exchange these documents for forwarding to the Ministry of Finance (DEA) Economic Aid Accounts Branch. While opening the Letters of Credit through the Indian Banks, these conditions should be stipulated to the bank. This will however not absolve the importers from the responsibility of submission of proper documents. The Ministry of Finance will approach the importers for the relevant documents.

(v) *Documentation.*—After payments the importers must arrange to furnish expeditiously the various prescribed documents (Annexure III) in complete shape to the Ministry of Finance, Department of Economic Affairs, Economic Aid (Accounts) Branch, New Delhi to enable them to claim reimbursement from the I.D.A. As payments will usually be made through the importers' Bankers in India, arrangements should be made with the Bankers to send the documents direct to the Ministry of Finance promptly. This will expedite the drawals by the Government of India.

(vi) *Maintenance of Books and records.*—The importer shall maintain books and records adequate to identify the goods acquired out of the proceeds of the credit to disclose the use thereof in the project and to record the progress of the project. Such books and records shall be maintained for a period of five years after the date of acquisition of goods. Importer shall enable the authorised representatives of International Development Association to inspect the relevant records and documents related to the project the goods acquired out of the proceeds of the credit and shall afford all reasonable opportunity and assistance to them for such examination in case the officers of International Development Association propose to carry out any such inspection.

(vii) *Reporting.*—The International Development Association requires quarterly reports indicating the rate at which withdrawals are expected to be made throughout the disbursement period of the Credit. In order to enable the Ministry of Finance (Department of Economic Affairs) to compile such a report, a statement in form in Annexure V should be sent by the importers to that Ministry at the end of each quarter i.e. quarter ending March, June, September and December by the 10th of the month following the reporting period.

(viii) The importer should apprise the supplier of any special provisions in the import licences which affect the suppliers in carrying out the transactions.

(ix) It should be understood that the Government of India will not undertake any responsibility for disputes, if any, that may arise between the importers and suppliers.

(x) The importer shall promptly comply with any directions, instructions or orders issued by Government regarding any and all matters arising from or pertaining to the import licences and for meeting the obligations under the agreement.

(xi) *Breach of violation.*—Any breach of violation of the conditions set forth in the clauses mentioned above will result in appropriate action under the Imports and Exports (Control) Act.
